Stewardship campaign- In this annual stewardship emphasis, as managers and stewards “working together” with God, we are being asked to stretch our faith, not only with how we use the time and talents God has given to us, but also in how we use the financial resources God has provided. We are being asked to trust God, to take the Word of God concerning our financial resources at face value, and to put God to the test concerning our finances.

“Working together – Celebrating God’s Good Gifts”

The theme of our annual stewardship emphasis is found in 1 Cor. 3:9, “For we are God’s servants, working together.”

Did you ever stop to think that God could have done it all? He could have taken it upon Himself to be the sum total of every aspect of reaching people with the Gospel and of helping them grow in their Christian faith.

But for reasons perhaps known fully only to God, He didn’t. He chose to utilize people: men, women, teenagers, and children in His worldwide harvest field and here at Emmanuel Lutheran Church.

That's why the Apostle Paul states so clearly that although we are God's servants, in reality, we are "working together" with Him. "We are God's fellow workers."

NURSERY – If anyone loves kids and is willing to give a Sunday in church, we would greatly appreciate the help. Male or female. Contact Tina Jones at email –tina.jones@grace.com and 443-677-8164.
